

STURGEON AUTO BODY

What to do in case of an auto collision.

Keep Calm...

1. Turn on your hazard lights and remain calm
2. Make sure no one is injured.
3. If the accident is major call 911 and remain on the scene

Get the following information...

1. Make note of damages to your vehicle & others involved.
2. Location of the accident (street intersections and direction to travel)
3. Contact information of all parties involved
4. License plate numbers of all vehicles involved
5. Driver's license number of all drivers involved
6. Take pictures of damage to vehicles (if possible)
